MAY 2017 NEWSLETTER

WE'RE MOVING!

July 2017

Since 2015, it has been our prayer to find a new building for our counseling center- a standalone building with a large sign on a main road in Daytona Beach. After two years of praying, searching, and waiting, I am excited to announce that the Lord has given us a new home for Resources for Women-641 South Ridgewood Avenue in Daytona Beach, just north of the intersection of South Street and US Hwy 1 (Ridgewood Ave), two blocks west of the marina.

This new location will give us greater visibility from the road giving us opportunity to serve more of our target clientele, and increase our working spaces. We will host an open house for the public on July 20th 5-7PM. We will begin offering services at the Ridgewood

location in July with new, expanded hours: Monday through Friday 9AM-5PM. Expanding our hours will allow us to see more clients and meet a demand for Friday hours.

The Thrift Store will remain in the Foxboro Plaza, but relocate to our current Mommy Boutique unit (1353) June 5th. Starting Monday May 22nd, the entire store will be 50% off to kick off our move. We will be hosting a Donation Drive June 1-3 to fill our new store, so if you've been looking for a reason to clean out your closet and garage, here you go! Store hours will remain Monday through Saturday, 10AM to 4PM.

KAYLA MOWERY, EXECUTIVE DIRECTOR (386) 760-2113 KAYLA@FREEPREGTESTDAYTONA.COM

We are so thankful for your support of Resources for Women. Our ministry exists to support women in crisis pregnancies-to tell them about their worth and the worth of their babies. Without your prayers, financial gifts, and your time, this mission would not exist. So far in 2017, we have been able to reach 25% more women for pregnancy tests, 80% more women for ultrasound scans, and clients vulnerable to abortion have increased by 78%. We praise the Lord for these opportunities and continue to pray for the life-affirming work happening here daily.

We would like to thank the Port Orange Sonny's BBQ for sponsoring Resources for Women's quarterly volunteer in-service!
